Dear Friends,

Since 2006, Family Bridges has served over 150,000 adults and youth with programs designed to build strong families and communities to prevent trauma. Founded by Dr. Alicia La Hoz, Family Bridges is committed to working with all audiences, with a focus on Latino families, regardless of income, age, or legal status.

Prior to the pandemic, Family Bridges recognized the additional barriers to success that Latino adolescent youth experienced and began working to address it. One such program, Wise Up Girl, launched in 2017 with life skill, decision making and mentorship support to help ensure the young women in the program had a foundation for healthy living. Since its launch, the need for this program has only intensified.

The pandemic has produced a crisis for our young people. Rates of anxiety, depression and suicidal ideation among adolescents have skyrocketed—more profoundly for young women than young men. Students we serve have had to unenroll from school. Financial stress at home is challenging ideas of security and future planning.

In honor of the young people we serve, and those we urgently need to reach, we invite you to partner with us for a night of celebration of bright futures, healthy families, and community. Your sponsorship will directly increase the number of at-risk young women who are able to engage with the Wise Up program.

Together we can help our young men and women overcome the barriers brought on by this pandemic and thrive.

**Your support will allow us to increase the number of at-risk girls participating in the Wise Up Girl program.**

We hope you will consider sponsoring the **Reveal Mother & Daughter Masquerade Ball** and join our efforts to help shape a generation of healthy and thriving children and youth! If you have any questions, please do not hesitate to reach out to us.

With gratitude,

Alicia La Hoz, Psy.D.
