

## **Family Bridges Development Director**

### **Overview of Position**

Family Bridges strengthens bridges between people: couples, children, young adults, parents, and families with their community. We are seeking a dynamic and socially assertive individual to join our team as a full-time Development Director for our nonprofit organization. The ideal candidate embraces our vision and mission, possessing the ability to demonstrate social assertiveness. This individual is known for radiating charm and actively cultivating rapport from his/her initial interactions with others.

In addition to his/her social acumen, the successful candidate must have strong communication and organizational skills with disciplined follow-through. His/her straightforward approach extends to his/her work, excelling in articulating ideas, building collaborative relationships, and ensuring effective communication with stakeholders. With a keen eye for detail and exceptional organizational abilities, the Development Director will lead and coordinate various development initiatives.

The Development Director plays a pivotal role in building and maintaining crucial relationships for our organization, ensuring its growth and sustained impact. If you are passionate about our Family Bridges organization and excel in creating positive connections we invite you to apply for this exciting opportunity.

Salary range is \$70,000-\$82,000. This full-time position offers benefits including paid vacation and sick time, health insurance and a 401K, following a probationary period.
